All Core Demo Towers offered have 16 shelves that allow devices to lay flat, in their optimal position. Shelves fit devices up to 14.8" / 37.59cm. All Core Series models have a keyed locking front door.

PowerGistics Towers eliminate traffic jams, save teacher's time every day and reduce costs from drops and cable management issues.

Resellers can now extend the demo program to their customers.

**Limit 1 per district.
For new customers only.
