Start On Time. Every Time.

Forgetfulness is an aspect of human nature that can't always be prevented. What's your backup plan when students forget to charge devices, or forget to bring them at all?

Are your older Chromebooks no longer holding an 8 hour charge?

Keep portable battery packs and loaner devices in the Time Machine - designed to minimize downtime and keep your students engaged.

Includes

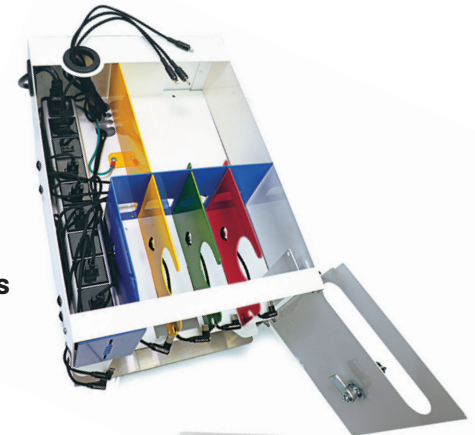

One Prewired 8-port USB-A power strip

One Pigtail cable
— splits into Lightning, micro and USB-C

Six USB-A to USB-C cables
— to charge the four power banks and two devices

Four 65 Watt, 20,000mAh superfast power banks and four USB-C to C charging cables:**

— two USB output ports, one micro input port and one PD20W quick charging USB-C input/output port

Key Features

User Friendly Compartments

Multiple compartments promote organization in the most user friendly orientations.

2 Lay Flat Shelves for devices

4 Compartments for power banks

1 Rear Storage Compartment

Maintenance-Free Cable Management

Designed for quick return and retrieval multiple times per day.

Locking Front Door

The keyed locking front door keeps devices and power banks secure until you need them.

Locking Top Panel

The removable top panel secures the power strip, power banks and cords. The neoprene top padding prevents scratches or damage to devices set on top.

*Price subject to change.

** Power banks slow charge overnight, ready for the next day.
