Key Features

100% Successful Student Management

Designed for students to self-manage their own charging process. The maintenance-free cable management is designed for students to quickly return and retrieve their own devices.

Standard Power

Accommodates the power needs of any device, even the most robust laptops, with a fast charge of 2-3 hours.

Lay Flat Shelves

Lay flat shelves not only save space, they are the most user friendly orientation. Students naturally use two hands when returning devices, reducing drops. Eliminate spine damage altogether.

High-Quality Aluminum Construction

Aluminum acts as a heat sink, drawing heat away from devices, extending battery life. Antimicrobial powder coat. Manufactured in Wisconsin with a lifetime warranty.

Recommended Use Cases

- Keep in classrooms or common areas for an extra charge during the day.
- Use for loaner programs that need a quick charge between loans.
- Use for charging classroom sets overnight.

*AC standard power provides faster charging than the TableTower8 USB.

Standard Power Strip

PowerGistics products are proudly MADE IN WISCONSIN. Our products are engineered with purpose and functionality in mind, and built to last. We are a 5th generation, family-owned company, driven by innovation and integrity.
