Key Features

✓ Cords contained in back

Keep cords hidden and organized with this 6 shelf storage and charging station. Cables are held secure along the side of each shelf to prevent loose and unmanageable cables.

✓ Standard power

Accommodates the power needs of any device, even the most robust laptops, with a fast charge of 2-3 hours. Includes 10 standard outlets.

✓ Open design

The barrier free design allows for quick and easy access to devices, while also providing open air space to keep devices cool.

✓ Saves space and protects devices

With a sleek design this desktop unit fits on any desktop or countertop space. Devices lay flat in their natural, intended position, protecting your investments.

✓ High quality aluminum construction.

Tuff as nails. The Desktop6 Plus is manufactured in Wisconsin, with high quality aluminum.

✓ Multiple use cases

Keep student devices, loaner devices, or portable battery backs charged and ready with easy open access. For use in classrooms, libraries, IT offices, etc.
