Roller12/16

MADE IN WISCONSIN

## Key Features

The Roller12/16 converts any CORE12 or CORE16 wall mount Tower into a portable solution while keeping the small footprint.

1. **Easy to turn front wheels:** Specifically designed to allow for full swivel capabilities, making it easy to steer and transition to other rooms.
2. **Sturdy back wheels:** Equipped with large rubber wheels and ready for a variety of environments and conditions.

**PowerGistics products are proudly MADE IN WISCONSIN.** All our products are engineered with purpose and functionality in mind, and built to last. We are a family-owned company, driven by innovation and integrity. We believe in providing products that make life easier and help solve problems.
